In case of early signs of infection (flu-like symptoms, sore throat, blocked nose, fever, cough):
1. Take 3 to 5 grams of magnesium ascorbate with a little amount of water; the scoop provided in the box contain 1 gram. This will relieve the symptoms for a few hours, but when they will relapse, repeat as soon as flu-like symptoms or sore throat reappear. Exaggeration will lead to intestinal bloating or loose stools, thus worth reducing dosage.
Magnesium ascorbate - VCPBC (box of 250 grams)
2. Take 3x1/day, one capsule with each meal, for 5 or even 10 days:
